## SPECTATORS

You may purchase a ticket from your instructor on request, or you may pay on the door at the competition. There will be a separate queue for spectators. All spectators who purchased a ticket beforehand will generally be allowed into the competition hall before those who are paying on the day.

## ON THE DAY OF THE COMPETITION

NO SPECTATORS ARE ALLOWED AROUND THE COMPETITION AREAS – THEY MUST BE SEATED IN THE SEATS PROVIDED, OR THEY MAY BE ASKED TO LEAVE THE HALL.

- The competition will start with the pattern events, first with the juniors and some designated cadet and adult divisions.
- Each competition area will be allocated with an area number that will be indicated by the number on the tablecloth and a numbered signpost. There will also be a coloured sign, signifying the belt colour and category of the current division, situated underneath the numbered signpost at head high level.
- Listen out for an announcement of the start of your division on an allocated area over the Public Address System. (You can also check the running order, which may be displayed on a plasma screen somewhere in the hall, when available.)
- All juniors will be height tested before the sparring competition starts at an allocated area (i.e. all yellow belt boys, all heights).
- All cadets & adults will be weighed in before they spar at the allocated area for that division.

Failure to be height tested / weighed in will result in a competitor not being entered for the sparring event (if they are competing in the sparring event).

**You must make sure that you are in the right competition area at the right time.**

**If you are unsure, then you must ask your instructor or an official.**

### Declaration

I understand that there is an inherent risk of physical injury in the practice and learning of a contact sport such as Tae Kwon-Do. Whilst the TAGB and Association schools and Instructors will take all reasonable steps to minimise the likelihood of an accident, the risk of physical injury cannot be eliminated. There is particular risk in the context of competitions and grading exercises which by their nature are likely to result in an individual approaching and potentially exceeding the limits of their skills and physical ability. The acceptance of an individual's application to participate in a competition or to undertake a grading exercise does not constitute and should not be considered as constituting any form of confirmation or assurance by the TAGB or any Association School or Instructor to the effect that individual has the necessary skill or physical ability to safely complete such competition or grading exercise, it being the individual's sole responsibility to judge such matters for themselves. If an individual has any doubt whatsoever as to their ability to safely complete any exercise in the context of a competition, grading exercise or otherwise it is the responsibility of the individual to withdraw from the same. The TAGB, and Association schools and Instructors accept no liability for injuries sustained in the course of practicing and learning of Tae Kwon-Do save for injuries attributed to negligence of the TAGB, and Association schools and Instructors. Insurance in respect of such risks is included in your annual membership. In signing this declaration I accept the above recited disclaimer of liability and also agree to abide by the rules of the TAGB as amended from time to time should I be accepted as a participant of this competition.

I clearly understand that my participation in the event is entirely at my own risk,

I certify that the facts stated are correct and I am fit to take part in the event.
